PLAN YOUR FIRST DIGITAL COURSE / WORKSHEET 03

Make the first version doable.

A focused first version gives you something concrete to review. Use this checklist to decide what belongs in it.

- [ ] One audience and one practical outcome are clear.
- [ ] The outline follows a useful learning sequence.
- [ ] Each lesson has an action, example or demonstration.
- [ ] Resources help the learner do the work.
- [ ] The first lesson explains how to use the course.
- [ ] The video setup is clear enough to see and hear.
- [ ] I have checked the course on a phone and a larger screen.
- [ ] I have a simple way to gather feedback.

The smallest useful first version includes...

Something I can leave out for now

My next action

A time I can work on it

One question I want feedback on
